MEASURE THEM UP!

Make sure their uniform fits perfectly ahead of the new school term with our easy-to-use size and fit guide!

Simply measure their height, chest and waist using the guide below to select the perfect size for your girl or boy.

Height

Shoes off, feet together and standing flat against a wall: Measure from the top of their head right down to the ground.

Lower Waist

Measure on the hip bone, where you would expect your trousers to fasten.

Top tip: Be sure to not hold the tape too tight!

Chest

Make sure to keep the measuring tape level - Measure around the fullest part of the chest for the most accurate fit.

Natural Waist

Top tip: Simply place their hands on their hips, they will automatically touch their natural waistline.

Simply measure around this area making sure you keep the measuring tape level for the most accurate reading.
